MEMORANDUM FOR: Director of Logistics

SUBJECT : Survey of the Office of Logistics by the Inspector General

1. In a recent progress report regarding the implementation of recommendations made as a result of the survey of the Office of Logistics by the Inspector General, you had advised that information had been sought from the Comptroller to permit the establishment of an annual procurement program, and from the Office of Personnel to keep current an inventory of field Logistics positions.

2. As a result of my inquiry to these offices, you received a direct reply from the Comptroller under date of 11 January 1956, and you were furnished a copy of a memorandum to the Deputy Director (Support) from the Director of Personnel dated 10 January 1956, which made reference to a memorandum to you dated 25 July 1955, subject: Positions Designated as SL on the Tables of Organization.

3. In view of the information contained in the above communications, it is assumed that there is no further action for this office at this time on these two matters.
